# Pastor Alexis L. Freeman Stephens

Pastor Alexis L. Freeman Stephens is a dynamic and anointed servant leader, called by God to operate within the Five-Fold Ministry and commissioned to advance the Kingdom through prophetic preaching, revelatory teaching, and transformational leadership. With a passion for seeing lives restored and believers empowered, she challenges the Body of Christ to walk in Kingdom order, spiritual maturity, and purpose.

Pastor Alexis has faithfully proclaimed the Gospel across the United States and internationally, including ministry assignments throughout Africa. Her ministry is marked by a powerful prophetic voice, practical biblical insight, and a genuine heart for God's people.

Driven by a divine mandate to inspire, equip, and empower others, she founded **Alexis Stephens Ministries, Inc.**, an organization dedicated to outreach, spiritual impartation, mentorship, and fellowship. At the heart of this ministry is a passion to see women healed, strengthened, and transformed through the power of God. This vision gave birth to the renowned **Women In Worship Retreat**, a life-changing movement that has impacted thousands of women for over 20 years, helping them discover hope, purpose, healing, and spiritual renewal.

Pastor Alexis faithfully served under the leadership of her father, the late Bishop Woody E. Freeman, for more than 25 years. She credits both of her parents for providing the strong spiritual foundation that shaped her life and ministry. After beginning her formal ministry journey in 1995 and receiving her ministerial credentials in 1999, God elevated her to a greater assignment. In September 2006, she was ordained and installed as Senior Pastor of Full Deliverance Church of Jesus in Orlando, Florida. Under her visionary leadership, the ministry expanded and evolved, becoming The Faith Center International in January 2009, a thriving ministry impacting lives locally and globally.

In addition to her pastoral and ministry responsibilities, Pastor Alexis holds a Master of Business Administration (MBA), combining spiritual wisdom with strategic leadership to effectively build ministries, develop leaders, and advance God's vision.

She is the proud Barry Stephens, known for her compassion, authenticity, strength, and unwavering faith. Though humble in spirit and approachable in nature, she carries a powerful burden to see people experience lasting transformation through the Word of God. As an avid worshipper and pursuer of God's presence, she remains committed to dwelling in the "Secret Place of the Most High" and serving as a vessel through which God's love, power, and purpose are revealed to the world.

Her mission is simple yet profound: to love God wholeheartedly, empower people fearlessly, and transform lives through the power of His Word.
